PROTOCOL FOR ACCEPTABLE USE OF DIGITAL TECHNOLOGY

Computer and web-based services are imperative to the importance in the delivery of many of the School's services and in the imparting of contemporary education. This has become even more relevant during the present circumstances when we have moved almost wholly into a virtual portal.

The School had shared the details related to a webinar on Cyber Security & Digital Safety conducted by the **G.D GOENKA UP LEARNING ACADEMY** under the G. D Goenka Group on 04.07.2020. In case you missed watching we urge to watch this informative and relevant interaction.
